ORDER:

In the letter second read above, the Principal Secretary/ Commissioner of Revenue Administration has stated as follows:-

- (i) Chennai Revenue District and the Chennai Corporation were co-terminus in jurisdiction upto the year 2011 and in the year 2011, Chennai Corporation was expanded by including 9 Municipalities, 8 Town-Panchayats, 25 Village Panchayats from Kancheepuram and Thiruvallur Districts and thus, the present Greater Chennai Corporation has an area of 426 Sq.Kms. Whereas, the Chennai District's area is limited to 178.60 Sq.kms. Due to the above expansion of Greater Chennai Corporation limits, the Commissioner, Greater Chennai Corporation is now co-ordinating with three District Collectors to carry out works of projects, land matters, health, sanitation, solid waste management, natural calamities, slum development etc., This creates inconvenience to the public to avail the services of Government.
  - (ii) To facilitate ease of access to Government services to the citizens of Chennai, the District Collector, Chennai has stated that it is necessary to have uniformity and congruence between Revenue Administration and Local Administration and this is possible if Chennai district area is co-terminus with Greater Chennai Corporation jurisdiction.
2. The Principal Secretary/ Commissioner of Revenue Administration has also stated that at present Chennai District has an area of 178.60 sq.Kms. In the year 1969, Madras District was formed with 5 Taluks and 20 Firkas. During the year 1979,

erstwhile five Taluks were bifurcated into 10 Taluks and thus, the Chennai District has now 55 Revenue villages, 40 Firkas, 10 Taluks and 3 Revenue Divisions.
